

FOR CO-HOSTS AND COLLABORATORS

LEAD TOGETHER

Share the load. Share the joy.

Tools for co-hosts, volunteers and partner groups to run great experiences together.

+ Co-host roles
+ Network calendar sync
+ Sister chapters

WHY IT MATTERS

No community should be one person deep.

Groups stall when one founder runs out of time. more. makes shared leadership natural, with co-host assignments, sister chapters and network events that sync cleanly onto partner community calendars.

SHARED LEADERSHIP

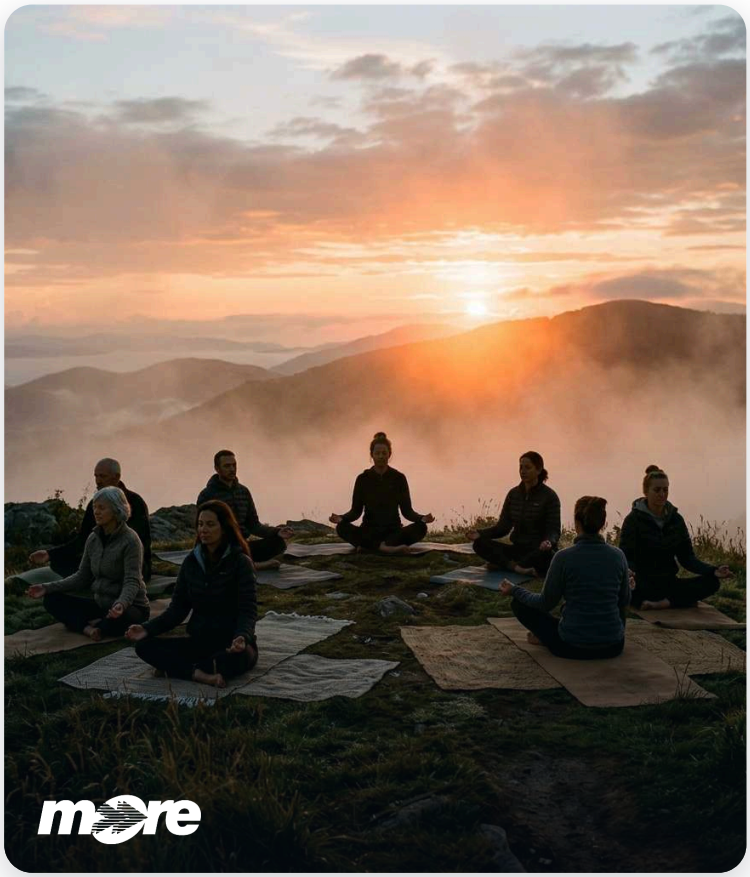

Build something that lasts

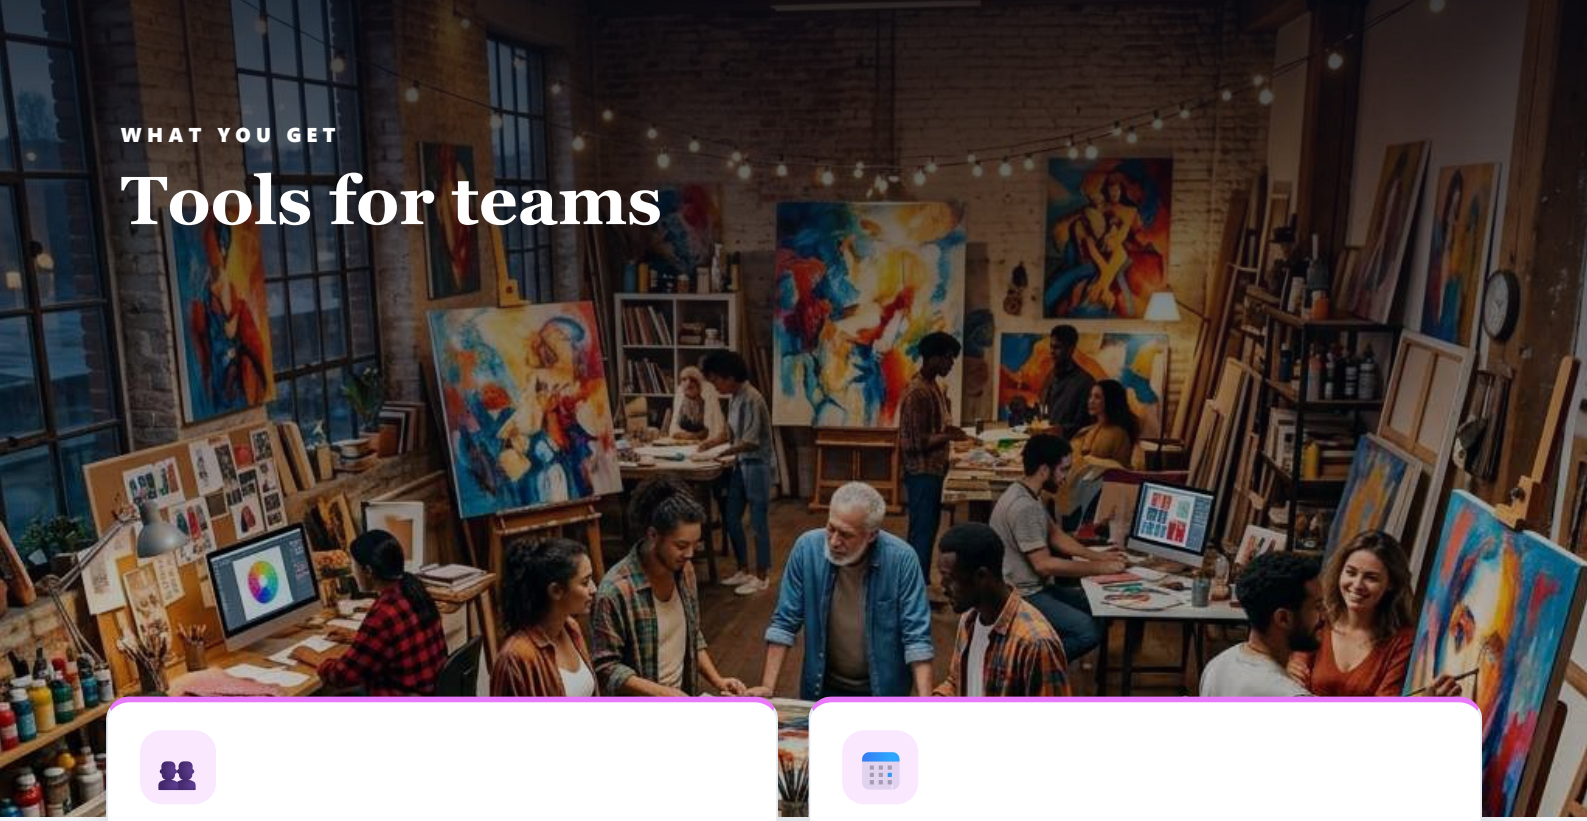

Assign co-hosts, launch sister chapters across nearby towns and use 'Promote to My Community' to sync partner network events directly onto your group calendar.

Co-host assignments
Give trusted deputy hosts event and check-in access without sharing passwords.

Promote to My Community
Sync network events from partner groups straight onto your community calendar.

Sister-chapter model
Cross-pollinate events and welcome roaming members across neighbouring chapters.

WHAT YOU GET

Tools for teams

Co-host role assignments

Delegate event hosting and day-of check-ins to trusted volunteers cleanly.

Network calendar sync

Use 'Promote to My Community' to cross-promote partner events on your calendar.

Sister-chapter network

Connect neighbouring chapters so members and hosts can collaborate across towns.

Shared meeting details

Keep meeting points, arrival notes and briefings in one place for every host.

Safer group continuity

Backup co-hosts always have event details and check-in access if plans change.

Community idea board

Let co-hosts and volunteers pitch activities and shape the calendar together.
