

FOR COUNCILS AND BIDS

ACTIVATE YOUR TOWN

Livelier high streets. Stronger neighbourhoods.

Digital community infrastructure that gets residents out, connected and supporting local business.

+ NHS Social Value
+ Trackable GP links
+ Town chapters

THE OPPORTUNITY

Connection is local infrastructure.

Councils and business districts face rising loneliness and pressure on town centres. more. gives you a live Council Dashboard tracking Social Contact Hours, Treasury Green Book NHS Social Value (£), repeat attendance and GP prescription redemptions.

CIVIC IMPACT DASHBOARD

Measure social value, not just page views

See active citizens, communities and upcoming events alongside Treasury Green Book NHS Social Value (£) estimates and Social Contact Hours. Generate trackable GP Social Prescription links for patient cohorts and watch redemptions in real time.

Treasury Green Book metrics

Track Social Contact Hours, NHS Social Value (£) created and local repeat attendance.

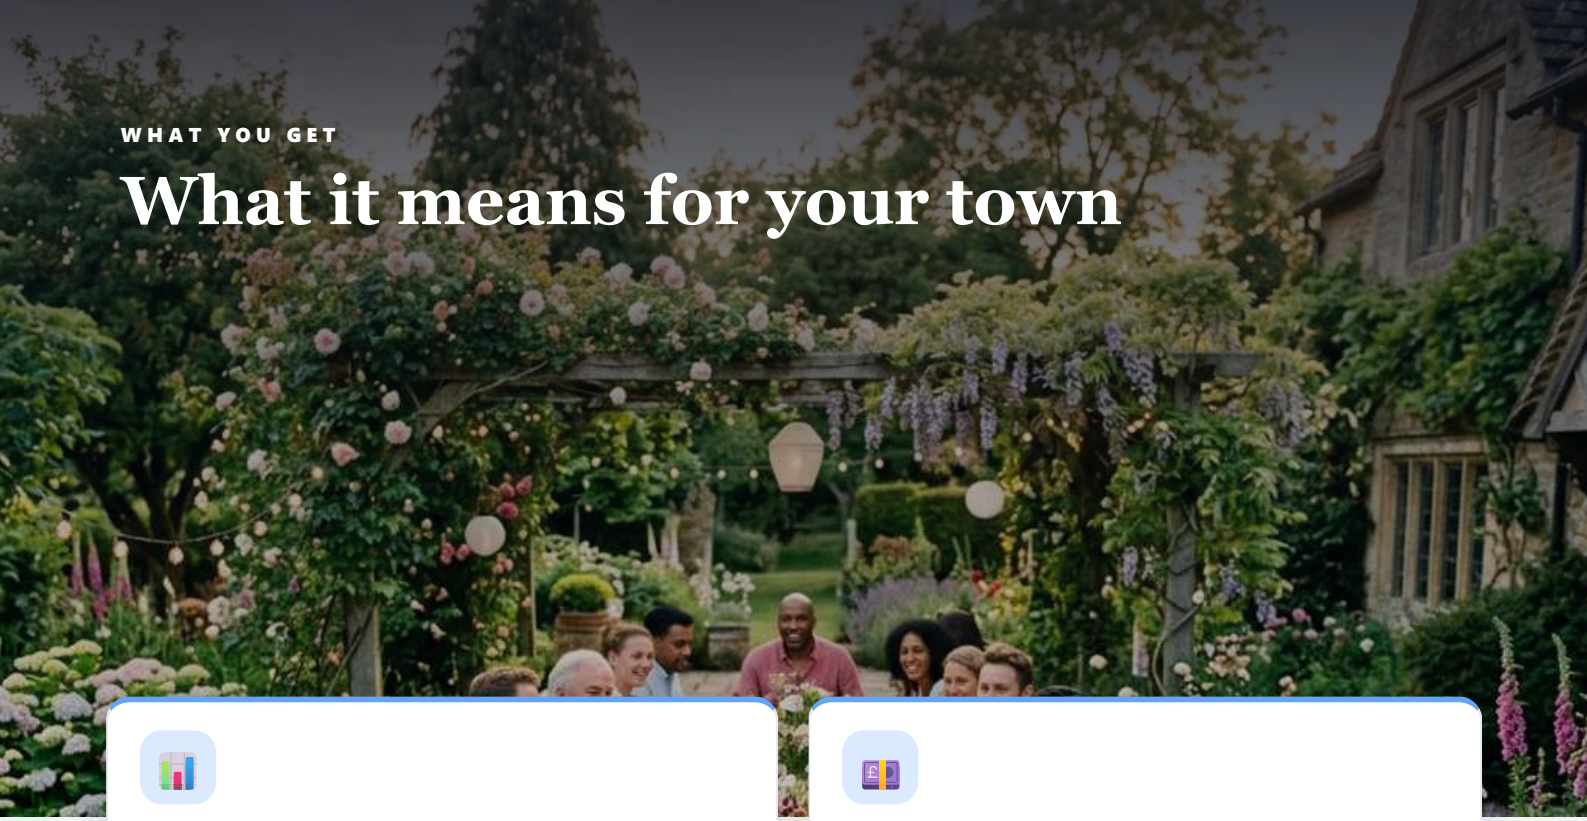

Trackable prescription links
