

FOR HEALTH AND SOCIAL PRESCRIBING

PRESCRIBE CONNECTION

A friendly first step into community life.

A simple, non-clinical pathway for link workers and health teams to connect people with welcoming local groups.

+ Trackable GP links
+ +1 free guest pass
+ NHS Social Value

WHY IT MATTERS

Connection is good for us all.

Loneliness affects wellbeing, yet the hardest part is often walking into a room alone. more. gives GP practices and link workers trackable prescription invite links, +1 free guest passes and clear meeting directions.

TRACKABLE PRESCRIPTIONS & VALUE

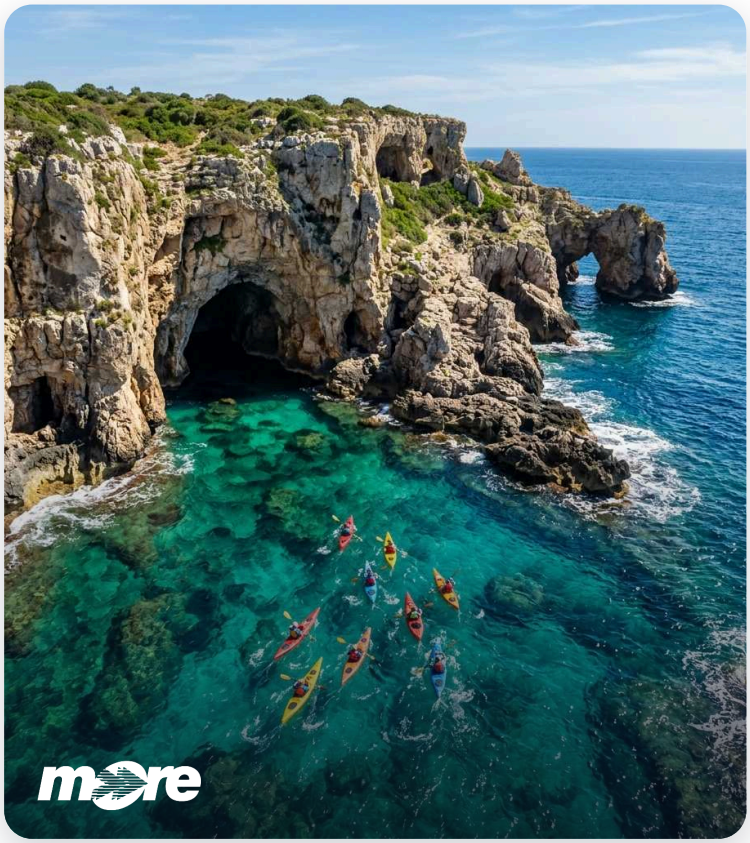

Never walk in alone, and prove the impact

Generate trackable GP Social Prescription links for patient cohorts and monitor redemptions alongside Treasury Green Book NHS Social Value (£) and Social Contact Hours. Every ticket includes a +1 free guest pass and exact meeting directions.

Trackable prescription links
Generate cohort invite links for patients and track redemptions and repeat attendance.

+1 free guest pass
Patients can bring a friend, relative or support worker with their own digital ticket.

NHS Social Value metrics
Capture Social Contact Hours and Treasury Green Book NHS Social Value (£) created.

WHAT YOU GET

Designed to be welcoming

GP Social Prescription links

Generate trackable invite links for patient cohorts and see when patients redeem them.

+1 free guest pass

Patients never have to arrive alone: a companion gets their own ticket free of charge.

Clear meeting directions

Exact meeting points, arrival notes and one-tap map directions on every ticket.

NHS Social Value (£)

Measure Social Contact Hours and repeat attendance using Treasury Green Book logic.

Free to join

No subscriptions, no app install required and no barriers to booking in seconds.
