THE OPPORTUNITY

Leading should feel good.

Whether you run a walking group of ten or a club of five hundred, the work is the same: answering the same questions, chasing RSVPs and paying for the tools yourself. more. takes the admin off your plate so you can focus on the people.

SELF-SUSTAINING GROUPS

Built to fund your community, not tax it

Connect with local business sponsors, accept voluntary member contributions, and export verified attendance to support grant applications. Your group can sustain itself without leaders paying out of pocket.

One link for everything

Dates, meeting points and RSVPs live on one clean event page instead of a buried chat thread.

Reminders that stick

Every attendee gets a branded ticket with a one-tap calendar button, so fewer people forget.

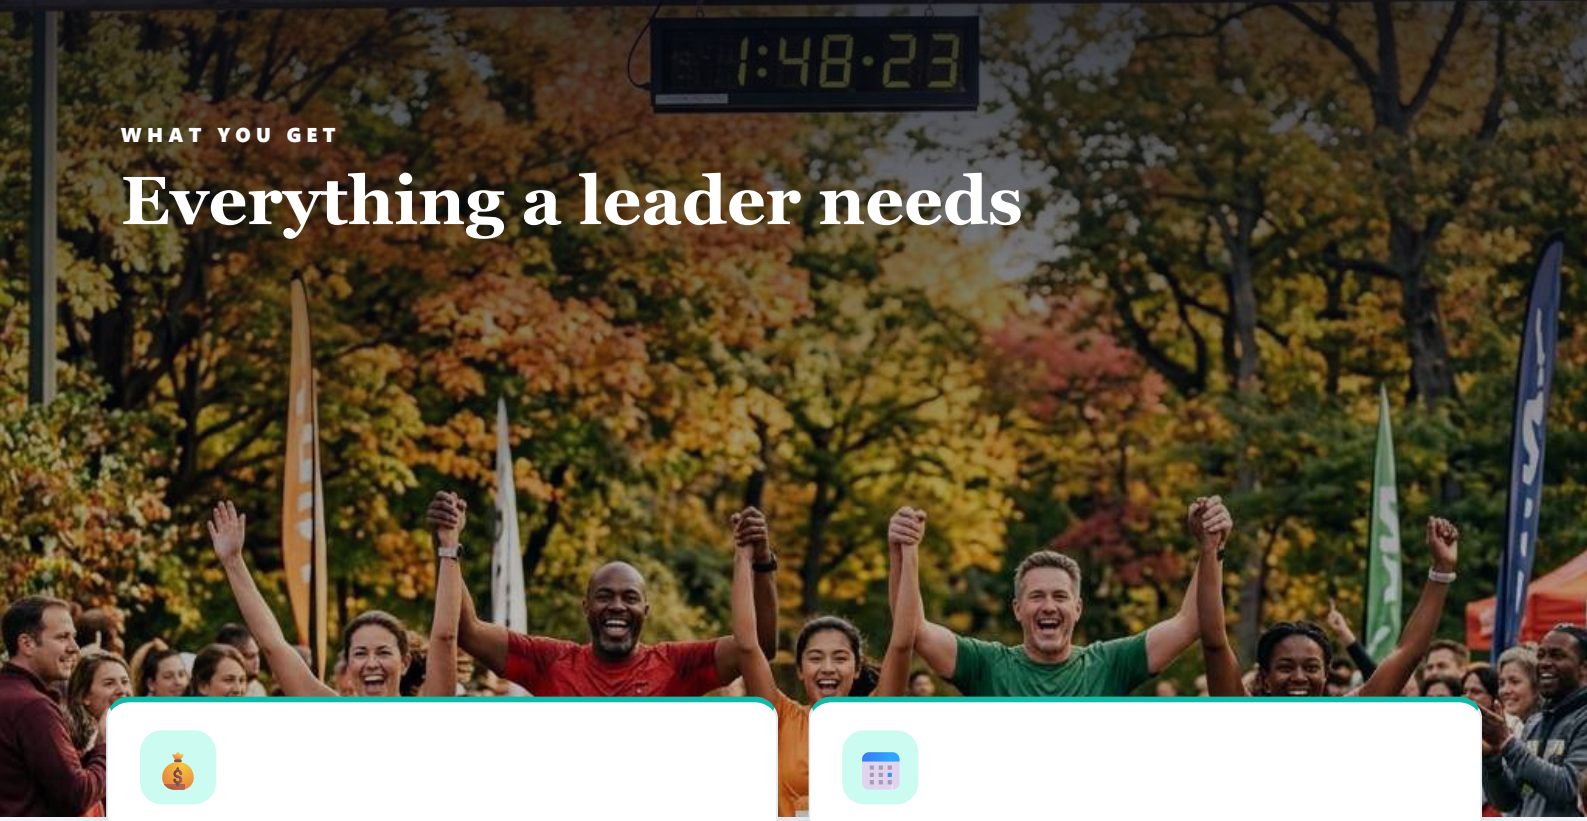

You own your audience

Export your member list whenever you need it. No lock-in and no paywall.

WHAT YOU GET

Everything a leader needs

Fund your community

Local sponsorships, voluntary contributions and verified attendance records for grant applications.
