FOR HEALTH AND SOCIAL PRESCRIBING

PRESCRIBE CONNECTION

A friendly first step into community life.

A simple, non-clinical pathway for link workers and health teams to connect people with welcoming local groups.

+ Free to join
+ Bring a companion
+ Clear arrival details

WHY IT MATTERS

Connection is good for us all.

Loneliness affects wellbeing, yet the hardest part is often walking into a room alone. more. gives link workers a gentle, practical way to introduce people to groups, with every detail clear before they set off.

REMOVING BARRIERS

Never walk in alone

A free guest pass lets someone bring a friend, relative or support worker. Exact meeting directions and a map link remove the stress of arriving.

Bring a companion
A free guest pass means no one has to go alone.

No guesswork
Exact meeting points and one-tap directions on every ticket.

Free and simple
No subscriptions and no complicated sign-up.

WHAT YOU GET

Designed to be welcoming

Welcoming groups

Refer people to well-run local groups focused on connection, not competition.

Free guest pass

People can bring a friend, family member or carer, who gets their own ticket.

Clear arrival details

Describe exactly where to meet, with directions one tap away.

Free to join

No subscriptions, no app to install and no hidden costs.

Gentle formats

Social, conversational activities at a pace that suits everyone.

Attendance confirmed

Host check-in confirms who attended, supporting follow-up.

THE COMPARISON

How more. compares

WHAT MATTERS	MORE.	PRINTED LEAFLETS	OPEN SOCIAL GROUPS	ONLINE LISTINGS
Confidence for patients	✓ **Clear host and venue details**	✗ Often outdated	✗ Unmoderated	✗ Limited detail
Arrival anxiety	✓ **Guest pass and map link**	✗ Goes alone	✗ Intimidating	✗ Unclear
Ease of access	✓ **One-tap booking, no passwords**	✗ Easily lost	✗ Needs accounts	✗ Complex
Cost to the patient	✓ **Free to join**	✗ Varies	✗ Varies	✗ Varies
Staying connected	✓ **Regular group, lasting friendships**	✗ One-off	✗ Scattered	✗ Brief
